## Former Business Man Found Dead In Garage

Hamlin community was deeply saddened just before noon on last Friday morning when the news spread that Louis W. Ezell was found dead in the garage at the home of his sister, Mrs. W. H. Gilbert on Jackson Avenue.

It was about 11:30 when Mrs. Gilbert returned from her work at the post office for her lunch, that she found a note indicating Louis was gone. She called for her brother, J. W. Ezell, and others at the bank to hurry to her home. The body was quickly found, with indications that he had been dead but a short while.

Louis Ezell came to this part of Texas, in early life, and spent some years at Dowell, in Fisher County. He later became a druggist and operated a store in McCaulley till 1907 when he became a druggist in Hamlin with the firm name, Ezell Bros. He was regarded especially successful in business in Hamlin till about 1926, when his health forced him to give up this line of work. Later he moved to California and operated a business. He moved back to Hamlin some years ago and engaged in various features of farming. Louis was always a man of few words, quiet and very pleasing in his bearing toward his fellow man.

L. W. Ezell was born near York, Alabama, January 15, 1887 and was 53 years and 10 months of age when death came on Friday, November 15, 1940. He is survived by two sisters, Mrs. W. H. Gilbert, and Mrs. J. A. Morris, of Hamlin; and the following six brothers: J. W. Ezell, president of the F. & M. National Bank of Hamlin; C. L. Ezell of El Paso; G. D. Ezell of Long Beach, Calif.; J. G. Ezell of Globe, Arizona; B. P. Ezell of Phoenix, Arizona, and H. L. Ezell of Galveston, Texas. He had never married.

Funeral services were conducted at the Methodist Church in Hamlin, at 3:00 P. M. Saturday, with Rev. H. E. East, pastor of the Baptist church and Rev. Dan D. Jones, pastor of the Nazarene church, taking part in the absence of the pastor, Rev. Hendrix. The house was crowded with sympathetic and sorrowing friends, and a most expressive display of a wide variety of fall flowers coming from loved ones and friends over an extended territory. The funeral was directed by the Barrow Company and interment was in East Cemetery.

A number of close friends and relatives were at the funeral from out of town, including a cousin, Rodney Ezell of Stamford, Dr. and Mrs. E. C. Baskins and daughter Eugenia of Ballinger, Mr. and Mrs. J. B. Kent of San Angelo, Mr. and Mrs. John W. Patton of Rotan, Miss Elva Ruth Wylie of Dallas and a large number of citizens from McCaulley.

Mrs. Ross Fomby and Mrs. Geo. Howard went to Dallas, Monday to visit Mrs. Fomby's sister-in-law, Mrs. Frank Riddle, of Lubbock, who is recovering from a major operation.

## Rev. John W. Hendrix Takes Spur Church

It would appear that two Methodist ministers of this part of West Texas did some swapping at the Pampa Conference that recently closed.

Rev. John W. Hendrix who has been pastor of the Hamlin Methodist church the past year has been assigned the pastorate at Spur, and will likely be moved to that city by the end of this week.

Rev. Harrell, the Spur pastor, was assigned the Hamlin charge and will perhaps occupy the Hamlin pulpit this coming Sunday. Rev. Hendrix reports that the new pastor for Hamlin is the father of Miss Pauline Harrell, formerly a teacher in the Hamlin schools.

Rev. Hendrix has enjoyed one of the happiest years of his ministry here in Hamlin and a host of friends here regret to see him leave and wish him and his good wife continued happiness and success in their new place of service.

## CHURCH OF CHRIST

Last Lord's Day one confessed that she had not lived as faithful as she should. She intends from now on to live in a way that will be pleasing unto God. The Bible says "Be thou faithful unto death, and I will give thee a crown of life." Yes, if we expect to receive everlasting home with God, we must live a Christian life until we die.

Do you know a person who claims to be a Christian yet is not living the right kind of life? Then that person is a hypocrite, and God will condemn him. Do you want to be condemned with the hypocrites? Then, get yourself right with God, now.

Were you among our visitors last Lord's Day? We were glad to have you. Won't you come back again?

LUTHER G. SAVAGE,  
Minister of Church of Christ,  
Hamlin, Texas

## BAPTIST CHURCH

We want Sunday to be a great day of Thanksgiving and Fellowship. We urge everyone to bring a well filled basket and following the morning service, we will have an old fashioned "spread" together.

On this day we hope to raise a worthy offering to apply on our church indebtedness.

"See you in Sunday School and Church Sunday".

H. E. EAST, Pastor

W. F. Johnson, the pioneer truck man, was taken to the Abilene hospital on Thursday night of last week for an operation on one of his eyes. It proved a more serious situation than was at first thought. Reports are that one eye is lost but hopes are to save the other.

Miss Doris Gilbreath of Bronte is spending a two weeks' visit with her aunt, Mrs. J. Frank Johnson.

# The Piepers Are District 10A Champs And Will Play Chillicothe In Hamlin

## ALBANY 0; HAMLIN 20 FRIDAY Bi-District Game Dec. 6th

If you want to see the Hamlin Pied Piepers, winners of District 10A play Chillicothe, winners of District 9A, in Hamlin on Friday night, December 6, you had better get your tickets right away. Only 400 reserved seats have been arranged for Hamlin folks and 200 for the Chillicothe fans.

Reservations are available RIGHT NOW at the office of the Superintendent. General admission will be 75 cents and reserved seats will be 25 cents making your space within the stadium just \$1.00 for the game. But students get in for 25 cents, but if they want a reserved seat it will cost them a total of \$1.00 also.

The decision to hold the bi-district game in Hamlin was made in Chillicothe Wednesday night. Supt. Bennett, Principal Morton and Coach Smith went to Chillicothe to figure out the place with Supt. Hanck who tossed a coin and Bennett called "heads" and so Hamlin is the PLACE and December 6th is the day, and the hour the game will be called is 7:30 P. M. in Piper Field. If weather permits the stadium will be packed that night.

This bi-district game will be between two teams that have never won in a district conference before. Perhaps the Santa Fe will run a special train from Chillicothe to

Hamlin, making it possible for them to come to Hamlin and get back home by midnight, November 28th.

## HAMLIN DOWNED ALBANY

### HALF TRYING, 20 to 0

O Yea, Hamlin did play Albany last Friday night. Quite a number of Hamlin people went to see what happened. They saw the Piepers loafing on the field for the first time. The boys were evidently "teasing" the Albany fellows like a cat plays with a mouse. The Albany boys did the playing while the Hamlin boys did the scoring. At one time the Piepers allowed the Albany team to get within two inches of the goal line and then went into action and finally took the ball from them and kicked away for an easy start. It is said that the Hamlin fans suffered great agony when their boys fooled along and let Albany do almost everything on the field (except score). Winning of the Albany game put the Piepers into the champ's place, regardless of how the game goes with Anson. The Anson fellows are reported to be tough guys and what they can do to Hamlin Piepers will be evidenced on the Piper Field next Thursday afternoon. No matter how that game goes, Hamlin is still district champion.

## Cotton Mattresses To Be Distributed Soon

There will be a 1940-1941 Cotton Mattress Program sponsored by the Surplus Marketing Association, the AAA and the Extension Service.

The rules for eligibility for participation in this program are as follows:

(a) A family consists of two or more persons having a common or pooled income and living together as an independent economic unit in one household, or one person maintaining a separate independent household;

(b) A low-income rural family is any family which had for the latest preceding calendar year a total income of not more than \$500 plus \$50 for each member of the family in excess of four persons, and which

(1) lives in the country, or (2) lives in a village, town, or city, and derived at least one-half of its total income during the latest preceding calendar year from agricultural occupations.

(c) Total income means the cash income received from all sources or earned and collectible, plus the local market value of unsold farm products raised for sale or received as payment for services or rent and held for sale, minus farm rent paid or to be paid in cash.

Sec. 5. Maximum number of mattresses per family: Each eligible family may receive one mattress for each two persons in the family, but not to exceed a total of three mattresses. Where one person constitutes a family under the provisions of this program, such person is eligible to receive one mattress. If the family has already received a mat-

tress or has made application for material to make a mattress under the Cotton Mattress Project, or has received a mattress or the material to make a mattress from the Farm Security Administration or the State Welfare Agency, this is to be included in determining the number of mattresses which the family may receive under the program.

Mattresses will be made at different established centers and 65c will be charged for findings, etc., for each mattress, instead of 30c; as during the first program.

Applications will be taken Friday November 22nd, at the following places, from nine until four o'clock:

Anson—Court House.  
Turner's Chapel—School House.  
Hodges—Gin Office.  
Nugent—School House.  
Tuxedo—Lou Williams' Store, on Friday and Saturday.  
Central—Church.  
Stamford—City Auditorium.  
HAMLIN—City Hall (Fri & Sat)  
Stith—Gin Office.  
Noodle, Lueders, and Neinda.  
GLADYS MARTIN,  
County H. D. Agent

Misses Annie Laurie and Carrie Johnson, and Mary Boyd of the Ft. Stockton schools came over Wednesday night for their Thanksgiving with home folks. They were accompanied by Misses Ann Mathis and Maxine Reece, both teachers. Miss Mathis went on to her home at Grayford, and Miss Reece will be a guest in Hamlin till Sunday.

Richard Feagan, a student in the University of Texas, is at home to spend the Thanksgiving holidays with his parents, Mr. and Mrs. Elmer Feagan.

The Herald anywhere, 1 yr. \$1.00.

## Hamlin Boys Enlist

I am pleased to inform you that Mr. William T. Brown and Woodrow W. Wilson of Hamlin, Texas, were enlisted this date in the United States Army and assigned to Infantry, Fort Sam Houston, Texas, and Air Corps, Puerto Rican Dept., respectively.

A few vacancies still exist in the above organization for well qualified young men between the ages of 18 and 35, unmarried, without dependents and who are physically and mentally qualified for enlistment.

Yours very truly,  
C. McLaughlin,  
Colonel, Infantry,  
District Recruiting Officer

## The Truby Community Fair Is Great Success

About 300 people attended the Truby Community Fair held Saturday, November 16, at the school house.

Hand work, antique, culinary and canned product exhibits were shown. Miss Lee Ann Williams and Miss Jean Hale, F. S. A. home supervisors, acted as judges of the exhibits.

The committee of the culinary department was Mrs. A. W. Hampton and Mrs. V. Triplett.

One of the most entertaining features of the program was the style show that was put on under the direction of the "Antique" committee—Mrs. A. A. McDuff, Mrs. Spurgeon Reeves and Mrs. Henry Eason.

The announcer for the style show was Miss Wynoma Eason and music was furnished by Mr. Hall.

The models were:

Bride and groom of the Gay 90's, Joyce Eason and Glen Reeves.

Old fashioned brides: Mrs. Esther Rhea and Mrs. Voy Moore.

Modern bride and groom: Leona Cox and George Caffey.

Modern bride: Juanee Jones.

Old fashioned girls: Ruth McBride, Ladell Wilson and Martha Jean Andersson.

Modern girls: DeLeath Grogan, and Mary Lou Cox.

Old fashioned grandmother, Mrs. L. D. McDuff.

Modern grandmother, Mrs. V. Triplett.

Old time cowboy, Homer Reeves.

Gay ninety night gown, Laretha Hall.

Modern pajamas, Betty Ann Triplett.

Old ladies going to church: Mrs. E. L. Eason, Mrs. Mary Rust.

Supt. and Mrs. G. R. Bennett went to Fort Worth Thursday to attend the State Teachers Association.

SCOTCH CELLULOSE TAPE, 15c and 25c rolls for sale at the Herald.

## PAPER COMES OUT EARLY NEXT WEEK

This is to give notice that next week, the Herald will be published one day early. You see, that is the day Hamlin folks want to observe Thanksgiving, and to have the day off like, maybe YOU, the Herald must get its work done before we go to sleep Wednesday night, next week.

You see, the regular Thanksgiving was this past Thursday and so next week the Rural Mail will go out as on any old Thursday. In fact, from here on till something or somebody changes the DAY, we Americans will be co-operative enough to join the rest of the nation in a uniform Thanksgiving Day, which will keep coming on the Third Thursday of November.

Only remember now that "your home-town" paper will be in the mail, full or short, next week before you eat your belated Thanksgiving dinner. What do you want for your self in next issue of the Herald? Get it ready P. Q.

## Navy Lowers Age Limit To 17 Years

The present expansion of the Navy has created many vacancies in its ranks. To meet the urgent demand of the expanding fleets and schools, for desirable young men, the minimum age limit has been lowered to 17.

If you are between the ages of 17 and 18 and are interested in the excellent opportunities the Navy offers, you may, with your parents' consent, enlist and serve until your 21st birthday.

Applications must be made in person at the Navy Recruiting Station, Post Office Building, Abilene, Texas.

It is necessary for you to furnish authentic proof of the date and place of your birth. Young men who meet the physical, mental and moral requirements are enlisted as soon as the necessary papers are completed and transferred to the Naval Training Station, San Diego, Calif.

## HAMLIN BOYS GETTING INTO THE ARMY NOW

This week a bunch of Hamlin boys including Roy. E. Tims, Durwood Locke, Bill Scott and Herman Treadwell, are leaving for Plainview where they join their unit of the National Guard to merge into the Regular Army. These chaps have had training and know most all the tricks that the American boy uses to defend his country.

AND A LITTLE BIT OF

THAT

### Amendments:

In the recent election there were four Constitutional Amendments voted upon by the Texas voters. All of them passed except one. The one that failed was known as the "Red River Tax." Now the responsibility for the outcome for an amendment to the Constitution, lies with the Legislature. It is not best to have an amendment voted upon in a general election, and in any election there is not enough publicity given to the voters as to why or why not vote for or against an amendment.

It is interesting to observe how the vote went in Martin County, as given in the Stanton Reporter. Every amendment was voted down in that county except the one that failed in the State. The mass of voters just do not understand, yet the great mass must take what even a small minority carries. Only great principles should be involved in a Constitutional Amendment.

### The Saddest Picture—

That we have read about this week was that of the 650 returning, half starved, some legless, some armless, some sightless, some crazed and many diseased French prisoners who were being sent back into France from the miserable German hospitals and camps. A dreary,

dreary day for that many young fellows, but still a long and still deeper gloom for the thousands still held in Germany's cold and foodless camps. A sad picture for men who offered all and now have nothing to come back to, and yet with all the misery and handicaps of body and mind those Frenchmen still yelled "Vivi La France" not knowing that within their own nation the yellowish traitors surrendered their France.

—T&amp;T—

### Explosions—

The American public is not quite ready to believe all the various concerted explosions have been "accidental" in our essential industrial plants recently. There is a growing feeling that there are enemies at our own elbows who would sell this nation for a bit of grudge or personal power in the Hitler-Italian universe. Folks, America has always been too soft on foreign traitors, or maybe not so foreign. From here on not one single man or woman should be permitted within any essential industrial plant except under stringent examination, and then there might be explosions.

—T&amp;T—

### It's Thanksgiving—

Today, this Thursday, November 21 is National Thanksgiving Day and Hamlin people are going along without thought or care, notwithstanding the President has proclaimed the Day and the Governor has declared the Day, Hamlin people are going on in the self same way. O, Yea, Hamlin is going to have a Thanksgiving Day next Thursday, November the 28th. That day will be given mostly to football, but by then one full week will have passed since Thanksgiving Day. Next year the Herald knows one firm in this city which will observe the Third Thursday in November as Thanksgiving Day, and we do not mean "maybe." Hamlin town is filled this Thursday, November 21, by students

and visitors from other towns, and find Hamlin wide open and going along regardless. The only excuse for this confusion is that previous arrangements had been made for a football game between Hamlin and Anson for Nov. 28th. But forethought should have set that game on November 21st.

### D. L. Brostow's

#### Brother Died Nov.

#### 2nd In Missouri

Mr. and Mrs. D. L. Bristow and daughter, Miss Pearl, went to Mountain Grove, Mo., during the last days of October to visit their brother, Samuel M. Bristow, who was very ill. They returned and on November 2, they received word that he had passed away. He was known by all as "Sam." He grew to manhood in this county and was a Baptist minister. He was in the employ of a chemical company and that company pays him tribute in the following manner. Taken from their "Weekly News Letter":

#### IN MEMORIAM

#### SAMUEL MARION BRISTOW

Born October 12, 1872

Died November 2, 1940

Samuel Marion Bristow was born at Farrar, Texas, on October 12, 1872. He died of pneumonia on November 2, 1940, at his home in Mountain Grove, Missouri. Surviving him is his gracious wife, Mrs. Maude Bristow; three daughters, Mrs. Hale Cadieux, Detroit; Mrs. Rex D. Smith and Mrs. Walter Randall, both of St. Joseph; a son, Palmer Bristow of Kalamazoo, Michigan; four brothers, Edward Bristow of Oklahoma City; D. L. Bristow, Hamlin, Texas; J. T. Bristow of California; H. C. Bristow of Foard Co., Texas; and Jim Bristow, Raton, N. M.; a sister, Mrs. Claude Dean, Lamesa, Texas, and five grandchildren.

Never was there a more beloved man, a more loyal friend, a more Christian gentleman than "Sam" Bristow. His life was one that was always a pattern for others to strive to attain. His honest straightforward squareness and his humble human sympathetic interest in others made him beloved no matter where he was.

He lived his life to the fullest and it was an exemplary life to the last. He made himself famous throughout the middlewest as a Baptist minister and as an evangelist. When the United States entered the war, he gave up a successful ministry to go as a Y. M. C. A. Secretary overseas, to share with those fighting their problems in the hopes that he could bring comfort to them. After the war was over with, his close friend, N. S. Hillyard, needed salesmen to promote the educational feature of maintenance and sanitation. "Sam" rushed to Mr. Hillyard's aid and to his dying day carried the torch of proper treatment of surfaces and a modern program of maintenance.

His example of sturdiness of character, of cheerfulness in the face of pain, will be one long remembered. For over thirty years Mr. Bristow had an active cancer on his left cheek, but the pain it gave was never known by even his closest friends. He lived a "mountain top" life, ever thinking of others.

His family, our company, the community he lived in—yes, this old world can ill-afford to lose "Sam" Bristow, for his place in the sun cannot be filled by anything except the memory of "Sam" Bristow—friend, Christian, student and gentleman.

### Baby Died

The little baby girl, Bettie Sue, age 5 months and 2 days, daughter of Mr. and Mrs. William S. Ford, died at the family home in North Hamlin at 9:35 P. M. Monday, Nov. 18. She had been ill for about one month.

Funeral services were held at the residence by Rev. H. E. East, at 11 A. M., Tuesday. Burial was in East Cemetery by the Barrow Company.

### Card of Thanks

We are very grateful for the kindness shown us in the death of our baby, Bettie Sue. Your sympathy and every word and token of kindness helped our saddened hearts to bear the loss to our lives.

Mr. and Mrs. William S. Ford and Children

Mrs. O. L. Taulman and son, Otis, Jr., of Lubbock, were here Sunday to visit her parents, Mr. and Mrs. W. W. Green.

### Ex-Convict Speaks

An ex-convict spoke on the streets of Hamlin Monday. What he said was worth hearing. It would have been well had every young man and young lady in Hamlin heard him.

He told why he went to prison. He said that he did not listen to the instructions of his father.

If this man had gone to Bible School and Church, would he not have been taught Proverbs 1:8, "My son, hear the instruction of thy father, and forsake not the law of thy mother." Why don't you begin attending Sunday school and church with your children that they might be taught to be obedient unto mother and father and always unto God?

He told how horrible prison life was; that he had rather die than go there again. He suggested that the time to think about it is now, before you have to go, and live rightly.

98 per cent of the convicts are

back in prison again within six months after they are set free, he said. Why? His answer was, "Because they are marked; no one wants them around; no one will give them work."

This man said that his father had never been arrested in his life. Of course this law abiding father never dreamed of his son becoming a criminal. Fathers and mothers of Hamlin, why not be Christians and bring your children up in the teachings of the church and the worship of God?

Luther G. Savage,  
Minister of Church of Christ

## Hamlin Man Died In California Nov. 2

Funeral services were held for William David Earnest, Friday, Nov. 8 at 3:00 P. M. at the Assembly of God Church, conducted by Rev. S. J. King and Rev. W. H. Smith. Following the service, the body was taken to Aspermont for burial under the direction of Barrow Funeral Directors.

Mr. Earnest died Nov. 2 in a hospital in Santa Anna, California, and the body was accompanied here by his wife, arriving Friday morning, Nov. 8.

William David Earnest was born in Hood County, Texas, Dec. 22, 1883. He was married to Ida Perry, July 23, 1901. He is survived by his wife and the following children: Mrs. Hassey Hollis, of Hawley, Texas; Mrs. Ollie White, of Banning, Cal.; L. B. Earnest, of Costa Mesa, Cal.; Miss Mattie Earnest, of Tulsa, Okla.; W. D. and J. R. Earnest of Hamlin, Texas; and Mrs. Marlene Davis, of Costa Mesa, Cal.

#### FINE PEARS

R. T. Cybert, who owns a fine fruit farm east of McCauley, was in town Saturday with his final load of fine pears, the big yellow, firm kind that makes such excellent preserves.

Mr. Cybert has the finest orchard in West Texas. He has cleared about \$700 from the pear trees alone this year. His trees are very hardy and large.

Misses Eva Louise Fowler, Mildred Barrow, Jennie Hulsey, Marian Martin and Gloria Stewart, and Teddy Russell, students in John Tarleton College, returned home Wednesday to spend the Thanksgiving holidays with their parents.

### JUNIORS SPONSOR STUNT NIGHT

Do you like to eat? Do you like to laugh?

These are the only two questions the Juniors are asking, for if your answer is yes, there's only one thing for you to do—that is to go to the Junior Stunt Night and Box Supper, December 13.

This program, under the auspices of the Junior Class, promises to be a big affair. The girls are to bring boxes, and the boys bring the money to buy them. For entertainment each class is presenting an original stunt. If rumors can be credited any at all, there's sure to be plenty of entertainment.

Each class presenting a stunt is eligible for the \$5.00 cash prize that is to be awarded to the best stunt that night, provided that class has the largest percentage of the class present. There will be someone at the door to register the boxes from each class which will help in determining who will win the prize. Persons outside of school may register for the class of their choice.

The Juniors are asking the support of the classes and people in town in this project. They assure you of a good time.

### WHO'S WHO IN

#### HAMLIN HIGH

Joyce Hudson—Queen of the Hamlin High for the school year 1940-41. A member of the National Honor Society, secretary and treasurer of both the senior class and Press Club, a member of the band, was secretary and treasurer of the junior class last year, was in the junior play, sixteen years of age, a brunett, and Tommy Hill is the present "object of her affections."

Selma Hassen—vice-president of the junior class, vice-president of the Junior Schubert Club, a member of the Press Club, a member of the debate club, takes piano lessons, and works as cashier at her father's store. ### GOOD ENGLISH

#### CONTEST CLOSED

Friday morning in assembly the Good English Contest was officially closed by the presentation of a one act play by the Public Speaking class. The play was a comic trial and banishment of Bad English from the premises of Hamlin High School.

The very serious problem of good spoken language was rather ridiculously relieved by the testimonies of various witnesses who were called in defense of the prisoner, Bad English.

The judge was very capably played by Jack Ellison. Bad English was portrayed by Dick Kelley. Several witnesses included Mrs. John He, Miss Vocabulary, Miss Spelling, Miss Careless Writing, Miss Good English Grammar, Mother Tongue, Miss Culture and Dr. C. E. Speech played by Ethel Belle Neal, Verna Mae Sipe, Mary Jo Sills, Sarah Jo Holder, Geraldine Elliott, Virginia Cozzens, Odean Murphree, and L. B. Bruner, respectively. The prosecuting attorney, D. C. Reynolds, succeeded in getting a verdict of "Guilty," while the lawyer for the defense, A. L. Hudson, pleaded vainly for his unpopular client. Loy Fry as the clerk and Arvel Baker as the bailiff fulfilled their missions in the courtroom. Other students assisted as members of the jury and assistant lawyers.

In giving this play the class sought to uphold the use of Good English by presenting an entertaining program that will be remembered by the students of Hamlin High for a long time. Miss Avaleen Murphree, teacher of speech, directed this program.

### PIPERS GO SNOOPING

All Bryan Phenix talks about is Beautiful Betty. Has the love bug finally bitten bashful Bryan? He told me he planned to write a book on "Love—with a knife named Betty."

Fate is kind. By some hook or crook Hill and Hudson have decided

to try the whole thing again. My! my! what courage some people do have.

Speaking of bugs. The La Conga Bug has taken Hamlin Hi by storm. We give full credit to Garland and Rooney in the show "Strike up the Band." Can you imagine H. H. S. having a Junior-Senior Prom in our gym or band room? We wonder if the days of miracles are really over.

Cheer up, girls! Football season will soon be over and then?

Wonder how it would be if Lanell Carlton were to sit still and really concentrate for one whole period.

What prominent high school teacher has taken up "breaking into rooms" as his favorite side-kick. It certainly is nice Kansas City hotel proprietors are understanding about such things. After all Mr. Campbell is on a budget.

"Double Trouble Boil and Bubble." Shakespeare may have said it but so has Hope. Yes, that lovable pair, Cade and Barrow, have stopped holding hands in the halls. I have a feeling it won't be for long though.

Ask Joe Sam Gray if it is really fun to be locked in his room hundreds of miles from home. I guess you will be a good little boy from now on?

What cute little girl wears a bright red corduroy dress with adorable brown boots? Oh gee! I forgot that is our senior sponsor. Well, any how, she's still cute.

What great big handsome football player uses Lilac complexion soap? The next thing we know we'll see R. M.'s picture advertising "The Skin You Love To Touch."

You should have heard the Oh's and Ah's from all of the girls in the school when those two good-looking boys from Knox City entered classes. Look out boys, you're goin'a be robbed. One of these boys is in the band.

### FUTURE FARMERS VISIT

#### KANSAS CITY

The F. F. A. livestock judging team, Daron Switzer, S. C. Ferguson, Jr., Glenn Winslet, and Joe Sam Gray, alternate and their coach, R. H. Campbell, left Saturday, Nov. 9, at 11:05 A. M. for Kansas City, Mo. They arrived there at 8:30 Sunday A. M. All the Texas judging teams averaged

21st place out of 35 contestants.

The boys enjoyed the new sights, places, and different people and they participated in many interesting and comical things. While on the train going to Kansas City, they had the fun of watching some drunk Indians. They went into one place in Missouri and ordered cokes and played a slow Texas song on the nickelodeon: they were laughed out.

There was a breakfast for all judging teams given by the Santa Fe Railroad officials at the Muehleback Hotel Wednesday Morning at 7:30 and the plate favors were little pasteboard Santa Fe trains.

The boys and coach had a grand trip and wanted to stay longer, but they returned to Hamlin, Thursday P. M., Nov. 14th.

### PIPER AERIALS DEFEAT

#### ALBANY TO CINCH DISTRICT CHAMPIONSHIP

Yes, it did happen. For the first time in the history of Hamlin High school, the Pied Pipers won a District Championship.

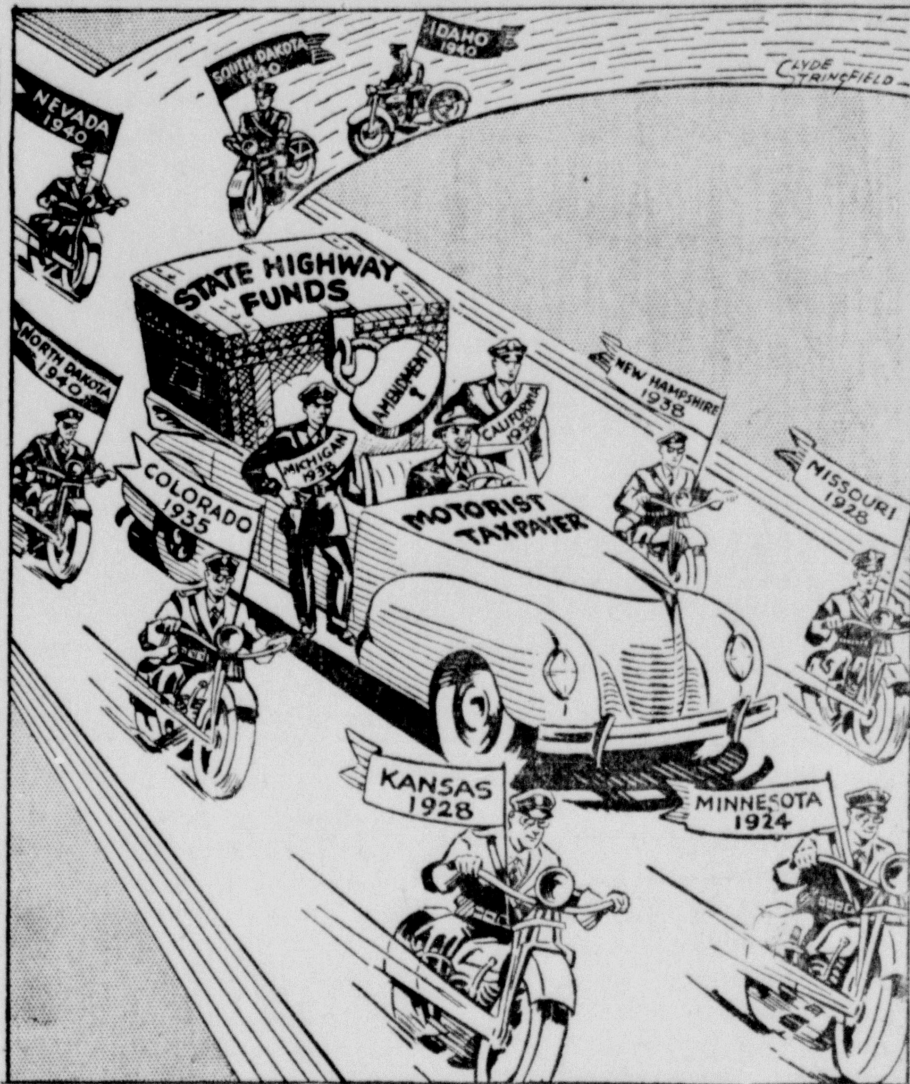

The boys met their roughest opponent of the year when they opposed the Albany Lions. For the first time this season, the line of the Pipers gave ground to a stubborn land attack led by Albany's smashing fullback, Elch. Albany threatened the Pipers' goal line only twice to see their attack bog down. And for the first time of the year, the running game of the Pipers met with resistance. Taking to the air, Johnson flipped touchdown passes to W. A. Brown, Hamlin's big right end for a tally in the second quarter. Coming back in the 3rd quarter, it was Johnson again who shot a flat zone pass to Tommy Hill for the second Piper marker. Early in the 4th quarter, Johnson shot a beautiful pass to Bill Harbert, Hamlin's great little blocking back, to reach pay dirt for the last count. All of Hamlin's attempted conversions failed.

### A THANKSGIVING FOR PEACE

## Stronger Protection Year By Year

NEWS ITEM: At the November 5th election the voters of Idaho, South Dakota, and Nevada approved constitutional amendments to guarantee that gasoline tax and registration fee revenues will be used solely for highway improvements. To date eleven states, as shown in the cartoon, have erected constitutional barriers of this kind to prevent the raiding of highway funds.

a song of praise to the Father of us all for His many blessings. America's prayer of Thanksgiving this year will be a prayer of thanks for peace. From the bottom of our hearts we are thankful for our nation and its ideals and standards of equality.

From the time of our Pilgrim fathers until now, everyone has had something for which to be thankful. True, some of them had more than others, but everyone has had the blessings of being able to see and feel beauty, of living in a country where we are permitted to give thanks to a God we love.

To some people Thanksgiving means company and a big turkey dinner. But this year let's let it mean more to every one. Let's make it mean knowledge, appreciation, and gratitude for our many blessings. We should remember on Thanksgiving the less fortunate people than ourselves. Let's remember to share what we have with others and let them know that there are people and things in the world for which they can be thankful.

Let's try to make this the greatest Thanksgiving our country has ever known. May there be a universal prayer of thankfulness for peace and a prayer that this peace will continue.

### THE BOOK WORM

This week while searching in some of the private files of the library "Old Browser" found some rare treasures. To his surprise he found a scrapbook that contains every issue of "Piping For The Pipers."

In order to learn what other schools are doing, call for the scrapbook in which are all issues of "The School Page" in The Abilene Reporter-News.

For profitable recreation call for "Food for Thought." This is a scrapbook which contains good proverbs and worthwhile sayings. Old Browser also found some material for those interested in "What Americanism Means To Me." In the Nov. issue of The Readers Digest read "Industry Beckons Youth" by Webb Waldron, "Young Democracy in Action" by Karl Ditzer, and "Why I

Favor Private Enterprise," by H. E. Coffey.

Old Browser has enjoyed reading Ruth Drummond's articles in The Ladies Home Journal. She lives in London and her letters to the United States are printed each month. Perhaps you would enjoy them too.

While reading some of the many books of the library we read one that has comedy in it from cover to cover. It is "The Casting Away of Mrs. Leeks and Mrs. Alishine" by Frank R. Stockton. Perhaps you can (Continued On Next Page)

# Hamlin Cotton Oil Mill

## A New Economical Feed

Last week the Herald carried an advertisement for the Hamlin Cotton Oil Mill "Announcing A New Feed."

It said, "Grain Cubes, 'Whole Press Cotton Seed Cubes' 'Whole Press Cotton Seed Flakes.'"

There was a lot of other material mentioned that go into the new mixture by the new process.

This aroused the curiosity of Ye Herald Man, and so we went out to snoop around to see about what, how and why, all this was done. We saw plenty . . . just this Thursday.

You know that fellow Jim Moody the manager, keeps his cotton seed mill and products right up to snuff. So last summer, taking a tip from the Simmons Brothers, pioneers in cotton oil milling in West Texas, Jim and his force of mill workers installed the machinery necessary to make one of the keenest and most economical, easy-feeding products yet created from cotton seed products as the base.

Speaking of the Simmons Brothers: There is R. M. Simmons, General Manager of their line of mills, living in Sweetwater, and there are three others. J. W. Simmons of Dallas, Tom Simmons of Quanah, and George Simmons of Lubbock, all prime managers of about nine mills in West Texas, New Mexico and Oklahoma. They have an idea that if they can manufacture feeds from the native grown crops of their country, they are adding to its prosperity. They are. And especially when they convert common rough stuff into a delicate product that stock eat readily and more economically, even from the ground.

So back of Jim Moody and the Hamlin Cotton Oil Mill are the Simmons Brothers, who are not afraid to put investment into modern cotton seed machinery.

Most of us are acquainted with the old process of skinning the lint off of cotton seed, crushing the hulls, sifting out the "meat" and cooking it and pressing out the oil. Yes, and the cake is a familiar product, just the common old cake, and it's good smelling stuff, and the meal from the ground cake, etc. Well, that is still the chief product in any cotton oil mill, but there has been developed a newer and more saleable product, and that is what we are trying to tell about.

Note that they advertised "Whole Press Cotton Seed". Now not many

understand what that means, at least we did NOT till we saw the new machinery putting it out boiling hot. You know, when Jim Moody took us into his storage rooms, we saw what we thought was smoke boiling up. We thought we had discovered a fire. But Jim was not excited. He says, "Shucks" that's just steam from our NEW feeds. It's hot as a fire cracker." We found out that was true.

You see they have gotten so now that they skin the cotton seeds of lint till they are as naked as a bird egg. The new process takes the "Whole Seed" after it has been cracked up good, and into a hot machine where it is cooked, and pressed, hull, meat and all. Yes, the oil comes running out, so does the ground up, cooked mixture of hulls and seed meat. But first it is pressed around a cylinder, and then re-ground fine as needed and pressed through a cylinder boiling hot, with about twenty holes better than an inch square, down to less than a half inch square. This is the cubeing process. As this pressed material comes out it is cut or broken into proper "bite" for stock. It is steaming hot, we know, as one cube flew up into our coat sleeve. Yep, it's hot. These cubes are elevated to be sacked, and before they are cool enough to handle are sewed up into sacks and wheeled away to the storage room.

One of the new feeds is made by mixture of "whole press" with maize heads, corn chops, alfalfa meal, limestone and salt, to form a balanced ration. It is called "Grain Cubes". It is 20 per cent protein. Then there is another cube with 28 per cent protein without grain and still another cube (larger) with 43 per cent protein.

Stockmen all over the country have caught on. They are coming or sending trucks from a distance of 200 miles. There is only one other mill in West Texas with this new feed.

Thursday one trucker-ginner-stockman had come up from below Brady and was in such a hurry to get started he and his colored man loaded the hot sacks onto his truck. They come at all times of the day and night. Jim Moody says later in the season more and more ranchers will be coming after this new feed.

Here's a suggestion: Fellows go

out and take a look for yourself. It is nice and warm in the mill, and if Jim Moody is not there, Supt. Armstrong or maybe "Pinky" Fitzgerald, the bookkeeper, will show you how it goes in and where it comes out and how.

### GOOD ENGLISH CONTEST

By Mary Jo Sills

Have you noticed how quiet the Hamlin High school students have been this week? Their conversation is very guarded. The "Good English" contest is in full swing.

The freshmen and seniors have green cards and the sophomores and juniors have orange cards. Every time a "green" hears an "orange" make a grammatical error he writes it on a card and the orange signs it or vice versa. The card is then deposited in a box.

When the cards were last counted the sophomores and juniors had deposited 31 more than the freshmen and seniors. The "greens" have deposited 114; the "oranges" 145. So, you can see every one is working hard and it is a thrilling contest.

From what I gather, from the guarded conversations, everyone is enjoying the new game of spoken English.

Everyone's grammar seems to be greatly improved, and it seems as if "good grammar" and distinct pronunciation have come to be with the Pipers quite a while.

### STUDENTS PRESENT A FOOT-

#### BALL KINDERGARTEN

Last Friday morning just before the Pipers played the Albany Lions the whole student body assembled in the auditorium for a pep rally. "Football Kindergarten," a very clever play directed by Miss Blake was given. The cast consisted of Richard Young who was a professor in a school and Jo Don Dickie, (an extremely smart pupil) Mary N. Bell, Virginia Hampton, Carl Barton, Selma Hassen, were students in the class room. Several jokes were told about the football players and the game football was defined.

### PATRIOTIC THEME USED IN BAND FORMATIONS

The Hamlin Band measured up to their standards by maneuvering an excellent formation at Albany. For an "opening" the Hamlin and Albany bands were massed together and marched to the center of the field to the music of "Victory March."

At the half the formation was very impressive because a patriotic theme was used. In unison with the pep club, the band formed a star. "The Eyes of Texas" was played as the Texas Flag was presented. The American Flag was presented as the band played "The Star Spangled Banner." At the blast of the drum major's signal the lights were turned off; and with flash light, the imprint of a star showed clearly on the field. In the midst of silence, "Taps" was played. An echo taps was played as the American Flag was lowered. Albany's band maneuvered a splendid formation and from all reports, the fans were satisfied with the formations as well as the outcome of the game.

### THE CITIZENS MANIFEST

#### INTEREST IN THE ELECTION

November was a very important month in the history of our country. Several new officers and new amendments were voted on and for the first time a president was elected for the third term. I am sure there wasn't a town in America more interested in the election than was Hamlin. The main topic of conversation all over town seemed to be "Roosevelt, Willkie, or third term." This interest was not only expressed by the people of voting age but also by the High school and Elementary school students. Several Elementary school boys became so concerned over the election that they got into some arguments that almost resulted in blows. Seeing the people come in and out to vote made every High school student wish that he might take part in the election.

### American Roads Are Always Prepared

Facts recently published show vividly the ability of the American railroads to handle the nation's freight load—and to handle it in time of emergency, no less than under normal conditions.

The few Doubting Thomases who question the ability of the railroads to do this, says the Nation's Business, are "reminiscent of the time in 1836 when, months after the locomotive engine 'George Washington' had climbed a six per cent grade, certain scientific gentlemen of the age were busy proving by their calculations that it had done no such thing because it was a mathematical impossibility."

Railroad cars today are far bigger and stronger, and are capable of providing a great deal more service than in 1917. Today's locomotives are half again as powerful as their 1917 predecessors, and far more speedy and efficient. Everything that has anything to do with the railroad plant, from rails to signal systems, is the finest in history. For example, today's average freight train speed is nearly two-thirds faster than it was in the World War period.

There is lack of understanding as

to just how much drain the defense program will put on the railroads. It has been pointed out that a 45,000 ton battleship represents only 5,000 carloads of freight—and delivery is spread over a number of years. A million men in an army camp sounds impressive—but 600 carloads of freight each day will supply them with all the goods, clothes, weapons and everything else they can use. And 600 carloads is about six-tenths of one per cent of average daily carloadings last year.

When you hear government officials and railroad experts say that we need have no fear of the lines' capacity to do the job ahead of them, you can be certain they are not talking through their hats. Our number one medium of transportation was never in better shape. Come what may, the railroads are ready.

Miss Helen Holmes of Ft. Worth is spending several weeks with her aunt and uncle, Dr. and Mrs. Joe McCrary. She accompanied Supt. Bennet and wife to Fort Worth on Thursday for a short visit with her home folks. Miss Holmes is helping control Dr. Joe McCrary till he regains his strength, and it will be a job to keep him "down" on the day Hamlin plays the bi-district game off here.

Mrs. Richard Hinkle and little son, Harry Powen, of Midland spent the week end here with her parents, Mr. and Mrs. Bowen Pope.

Attorney Roy A. Hartwell of Houston came up last Saturday for a short visit with his parents, Mr. and Mrs. Bob Hartwell. Roy has been a lawyer for about 7 years and still is not "over 36" and so to get it over with he has "volunteered" his year and from here on for 365 days he will be "training".

## Class Has Annual Thanksgiving Luncheon

The Alathean class met on Tuesday, November 19, at twelve o'clock noon in the basement of the First Baptist church for their annual Thanksgiving luncheon. Autumn flowers, pot plants and cactus gave the Holiday touch in decorations.

Guests were welcomed by Mrs. J. L. Keen, class teacher, Mrs. Alton Clemmer and Mrs. L. B. Maberry.

The table arranged in the shape of a cross was covered with a white damask cloth and centered with a large "Horn o' Plenty" overflowing with fruits. Autumn leaves, fruit and colorful nut cups completed the table decorations.

A program in keeping with the holiday spirit opened with Invocation by Rev. East. Welcome was extended by Mrs. Clemmer. Others numbers were music by Glee Club; Reading, Joe Clements; piano solo, Harold Fletcher; Thanksgiving Talk, Mr. Witt; Talk, Mrs. J. L. Keen; Benediction, Tate May.

A delicious Thanksgiving dinner with coffee and pecan pie was served. Following the dinner, thirty class members remained for a short business session and social hour.

## Miss Lataine Preston Married To Kenneth Hopper

Mr. and Mrs. E. A. Preston have announced the marriage of their daughter, Miss Lataine Preston to Mr. Kenneth Hopper.

Their marriage took place in Roby Tuesday, November 12.

Both of these young people were reared in Hamlin and community. Mrs. Hopper is a graduate of Hamlin High school, and Mr. Hopper has recently been in training in the Aviation service as a mechanic.

They will make their home for the present in Hamlin.

## Mrs. John Kent Jones Honored With Shower

Mrs. J. E. Morgan and Mrs. R. T. Alexander were co-hostesses Friday afternoon, Nov. 15, when they entertained in the home of Mrs. Morgan with a miscellaneous show, complimenting Mrs. John Kent Jones of Crowell, who before her marriage, Oct. 15, was Miss Tommie Nell Holman, of Hamlin.

As guests arrived they were welcomed by Mrs. Alexander and asked to register in the pretty bride's

book. Mrs. Tom Jones, mother of the groom, then directed them to the dining room where refreshments were served.

The guest list included the bride's mother, Mrs. Tom Holman, Mmes. ## Miss Inez Howard Bride of Wilburn Fields

Miss Inez Howard, daughter of Mr. and Mrs. John V. Howard of Hamlin, and Mr. Wilburn Fields, son of Mr. and Mrs. H. Fields, of Neinda were married Thursday evening, November 14, at 10:30 o'clock at the home of the bride's parents on Hope Avenue. The ring ceremony was read by Rev. H. E. East, pastor of the First Baptist church as the wedding party stood in front of the French doors in the living room. Only the bride's immediate family and her uncle and aunt, Mr. and Mrs. George Howard, were present.

The bride wore a classic model of two tone gray alpaca with black accessories, and a shoulder corsage of white carnations. For something old she wore a diamond lavalier which had been worn by her mother at her wedding. Her attendants were her cousins, Miss Faye Lavern Howard and Miss Juanita Lee, of San Angelo. Both were wearing becoming frocks of black crepe with harmonizing accessories and corsages of white carnations.

John V. Howard, Jr., brother of the bride, and Paul Hubbard, attended the groom.

After a short wedding trip to Mineral Wells and other points the couple will live at their farm home near Neinda.

Mrs. Fields is a graduate of the Hamlin High school and attended Hardin-Simmons University in Abilene. Mr. Fields is also a graduate of Hamlin High school and attended McMurry College, Abilene, and John Brown College in Siloam Springs, Arkansas.

## Classroom Cotton

Cotton Christmas will find many wise Hollywood starlets wearing cottons. Here is Susan Fox, RKO Radio player, modeling an ideal classroom frock in dark brown cotton gabardine. Two-piece, the dress has three button-flap pockets, and a youthful white pique collar.

## Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

## POT SHOTS FROM McCAULEY

— BY GEO. DARDEN —

The Home Demonstration Club of McCauley held a little fair in McCauley Tuesday in the old Bank building. Exhibits were wonderfully displayed such as cakes, canned fruits, canned meats, embroidery, needle work etc. We can truthfully say that these club ladies are very much on the job and are doing a fine work in this community.

Tuesday evening Blackwell came over with their football team and went home the winner, the score was twenty-six to six. Folks, we are going to have to do something about losing so many football games. After all is said and done we think our school has the right spirit and some day we may hit a winning streak.

Last Sunday afternoon an ex-convict spoke to a large crowd in front of Darden's Cafe and we think his talk was good for the community, especially the young boys and girls, and if any who heard him contemplated a crime career they are likely to stop and think before trying the crooked road.

John Wishert Jr. is in a Snyder hospital suffering from a crushed head. We understand that a negro threw a rock through a car in which John was riding. We are sorry to learn of this and hope the negro will be apprehended and punished. Cotton is about all out in these

parts without the late bolls open. Some say most of them will; if so there will still be quite a bit of cotton.

A number of the younger set met in the Darden home Sunday night for a singing, and we do have a lot of good singers in and around McCauley.

That oil well on the Maberry farm has been on a rampage so we are told. Even though it is capped, we understand the oil is flowing around the threads with about a two hundred and fifty pound pressure. Let's hope it will soon be turned wide open. McCauley has been on quite a boom the past week with about a hundred railroad men added to the population which makes things hum. Downwood is not the only town that's booming.

Ottis Corneliou, who lived in McCauley in the year of 1907 was through town the other day and he says McCauley was a good town in those days. We say it still is.

Duck Weaver of Neinda was in town last week having some work done on his new tractor. Weaver says teams got too slow.

Thanksgiving is just around the corner. In fact, we will observe two Thanksgivings this year. The people of these United States have plenty to be thankful for. Sometimes all of us think we are having a hard old road to travel but when we stop and consider the awful war in Europe we should be very grateful for a country where men are free to vote as we please and to worship as we please. Most all the people have plenty to eat and wear and we should be very thankful for health, for Democracy, for free schools, and in fact glad that we are living in God's country. —A Darden-O-Gram

## FLAT TOP SOUTH SIDE NEWS

(By Nancy O'Neal)

Mr. and Mrs. Carl McAbee and son have moved from their home in South Side community to Brownwood, where Mr. McAbee will be employed. The McAbees have lived in this community for several years.

Mr. and Mrs. William Sedberry of Swenson visited Mr. and Mrs. J. M. Sedberry of South Side last week.

Miss Opal Pauline Haggen of Flat Top visited Miss Ruby Boren of South Side Sunday.

Mr. and Mrs. Jack Smith and children of Flat Top visited Mr. and Mrs. Alvie Mullin of Hamlin Sunday.

Mr. and Mrs. W. A. O'Neal of South Side were guests of Mr. and Mrs. John O'Neal of Hamlin Sunday.

Rev. Frank Pope of Anson visited Mr. and Mrs. J. W. Hines of Flat Top Sunday.

Mrs. Branscum and son Ramsey and a granddaughter, Miss Marie Branscum of Hinson, were guests of Mr. and Mrs. Dave Richardson last Sunday.

Mr. and Mrs. W. A. Harris of Spur visited their niece, Mrs. Sam Doyle and husband of Flat Top last Saturday and Sunday.

Mr. and Mrs. Clinton Packwood of Flat Top visited Mr. and Mrs. Jack Smith Friday evening.

Mr. and Mrs. James Bowman and children of Flat Top were guests in the Roy Bruner home Sunday evening.

Last Sunday, Nov. 17, Mrs. Eugene McInroe entertained with a surprise birthday dinner honoring her husband's birthday. About 50 guests came from Stephenville on a school bus.

Those visiting Mr. and Mrs. W. A. O'Neal and family of South Side Monday were Mr. and Mrs. Buford Parker and Mr. and Mrs. A. Citron and daughter of Gorman and Mr. and Mrs. John Bagley of Anson.

Mr. and Mrs. Roy Williams and daughter Nelta visited Mr. and Mrs. Earl Williams of Flat Top Sunday.

Mr. and Mrs. Jimmy Sedberry of South Side visited relatives in Hamlin Monday.

Mr. and Mrs. Loyd Boren of Hamlin and J. C. McAbee were guests of Mr. and Mrs. Eddie Boren of South Side Sunday evening.

Once again the farmers are very busy harvesting the crops after a short delay because of cold weather.

Quite a few folks of these communities attended the circus Monday night at Hamlin. After all a circus doesn't come to Hamlin very often.

Lov Fry, Jr., of Hamlin spent

Monday night with L. B. Bruner of South Side.

At the time of this writing Joe Watson, a progressive farmer of Flat Top, is reported to be very ill.

The home of Mr. and Mrs. Edd Decker, 3 1-2 miles east of Hamlin, was destroyed by fire last Wednesday, Nov. 13. The house and all of the furnishings were destroyed. Only a few clothes were saved by Mrs. Decker. Mr. Decker is now at Brownwood working. Mrs. Decker and children will live with a brother, Donald Powell in Hamlin.

## BOYD CHAPEL CHIRPS

(By Mrs. L. F. Cozzen)

Of all the time of the year a fellow loves to live it is hog killing time. That is what is happening all around now.

It looks as though this week would be as cold as part of last week.

Mrs. Earl Brown is spending two weeks in East Texas with Mr. Brown's brother and family. She is caring for her sister-in-law and new baby. Mrs. Brown plans to come home the last of this week.

Grandmother Brown is spending the same two weeks with her son, Mr. Earl Brown.

Mr. and Mrs. Mark Crow and children of Big Spring spent Sunday with his parents, Mr. and Mrs. Judge Crow.

Mr. and Mrs. Alvin Dean and children spent Sunday with her parents, Mr. and Mrs. Arnette, near Anson.

Mr. Harry Burkett of Post City is spending a few days in the Estes home.

Miss Toby Estes who is working in Post City, is also spending the week at home.

Mr. and Mrs. L. F. Cozzen returned home Thursday evening from Abilene where they had been attending the bed-side of their daughter, Mrs. Vaden Lester, who underwent an operation for appendicitis the first of the week.

Those from our community visiting Mrs. Lester this week in the hospital were, Mr. and Mrs. V. R. Kelly and Polly Kelly, Mr. and Mrs. Luther Haught and Mr. and Mrs. Albert Haught, Bobbie Pail and others.

Mrs. J. E. Foote spent Sunday in the Ollie Estes home.

Mrs. B. P. Tinnon and boys Ralph and Roy returned to their home in Harrison, Ark., last week end after spending a week or ten days with Mr. B. P. Tinnon and friends at Neinda and Boyd Chapel, and also her sister, Mrs. Will Jackson of Abilene.

On last Monday the Boyd Chapel women met at the church and quilted three quilts for this reporter, Mrs. L. F. Cozzen. A covered dish luncheon was served and a great time was had by all present.

Now listen folk, if you ever get in trouble, like we did (when our house burned and everything we had burned Sept. 16.) and you want real friends and real help, you can't beat Boyd Chapel and the surrounding places. We can't begin to tell you the many nice things that have been done and said. McCauley and Neinda gave showers and quiltings just as though we lived in their midst. We humbly ask God's richest blessings on each one who has had a part in bringing sunshine into our lives, or even those who wanted to have a part.

The quiltings, showers and all-day sewing began immediately after our house burned, and hardly a day has passed since that we haven't received something some way.

Mrs. Vaden Lester is being brought from the Abilene hospital Tuesday of this week, to her parents' home. We are glad to say to her many friends, she is doing fine.

## Boyd Chapel School Thanksgiving Program

The teachers of the Boyd Chapel school presented the community with a Thanksgiving program Tuesday night, November 19th.

The program consisted of four readings by four pre-school children Jo Ann Young, Gale Teal, Darlene Smith and Bill Goza.

There were five plays presented. The principal, Mrs. Wortham Crow, presented:

"The First Year at Plymouth," and "Thanksgiving With The Up-snoots."

The assistant teacher, Miss Frances Coffman presented:

"Betty Meets the Book People,"

"Indian Moccasins,"

and "Romance In the Dictionary."

A large crowd was present. The program was very interesting and successful.

## "Build-Up" for Women Helps Avoid Distress

Do you suffer periodically from headaches, nervousness, irritability, cramp-like pain?

If so, here's good news! These may be symptoms of functional dysmenorrhea due to malnutrition, often helped by CARDUI.

CARDUI usually increases appetite and the flow of gastric juice; so aids digestion and helps build up strength, energy, physical resistance. Result formanyislessperiodic distress. Or you may find this also helps ease your periodic discomfort: Take CARDUI a few days before and during "the time." 50 years of use and popularity invite your confidence in CARDUI.

## HERBINE

When Biliousness, Headache, Flatulence or Gas, and Listlessness or that tired feeling are symptoms of Temporary Constipation and you take a laxative or cathartic for relief, try Herbine. It is strictly a vegetable medicine. 60c a bottle.

## INZER PHARMACY

Joe Watson, a farmer in the Flat Top community, is seriously ill this week. Joe has lived in this commun-

ity several years and his jolly laughter on Hamlin streets will be missed. He may pull out of the paralytic attack, but his condition is serious.

## NOTICE

The Otis Deaton radio singers, from Alabama, will appear in the singing convention Sunday afternoon in the Corinth community. They will also be heard at Neinda, the following Monday.
